Typologies

by Margaret Anne Schedel

with Kevin Yager (v43.9)

& Midjourney (v3)

For 1-12 players

Performance Instructions:

Collapse the wavefunction of this graphic score into a quasi-classical definite sonic state. Transcode images into sound with intra-performance consistency but inter-performance variance (e.g. duration is variable, but for any given performance, the length of every page is the same). Excerpts allowed but must be contiguous pages. Players can only move by one system per page; no two players can play the same system. Project the score, where possible.

Program Note:

Inspired by the graphic scores of Braxton, Brown, Cardew, Chacon and Lockwood, Schedel has created a new AI assisted graphic score *Typologies* for one to twelve musicians. Working with the program *Midjourney*, an artificial intelligence algorithm that creates images from textual descriptions, Schedel and her collaborator Kevin Yager created/evolved 193 images including large-scale pages, smaller graphics, titles, and page numbers to create a novel score using the principles of integrated intelligence. The piece arises from the intentional assemblage of generated elements, sorting the folios and ornamenting by digitally resizing and burning or dodging generated artifact subsets from otherwise unusable generated graphics.

Performers are instructed to use consistent rules to transcode the dimensionality of the image (color, shape, placement, size, complexity, directionality, and affect) into audible or inaudible sound. Each new performance can and should rewrite these rules. Ideally this approach allows the audience to decode each performer's equation of light into sound.

17 EN 5

Handwritten musical score on aged paper, featuring multiple staves with musical notation and large blacked-out redactions.

The score is written in black ink on aged, yellowed paper. It consists of several staves, some of which are heavily obscured by large black rectangular redactions. The notation includes various musical symbols such as notes, rests, and clefs. There are also some handwritten annotations in red ink, including the word "Finito" at the bottom left.

Key features include:

- Large black rectangular redactions covering significant portions of the staves.
- Handwritten musical notation, including notes, rests, and clefs.
- Handwritten annotations in red ink, including the word "Finito" at the bottom left.
- A large, stylized black ink mark resembling a star or a cross, located in the upper right quadrant.
- Handwritten text in red ink at the bottom right, including the number "33".
